NOTES:

### **Class: Adult Basic Camera Selection and Photo Concepts**

Description: In this class you will learn how to take an eye-catching photo by becoming skilled at envisioning the picture before you press the button. Learn how to use Basic Concepts regardless of the type of camera you own. The class covers basic composition methods; how to correct common shooting problems, basic posing techniques, and how to get the best results from the photo lab. **Part of the curriculum includes photo critiques, so please be sure to bring image(s) to share.** No other equipment is required.

**Class dates are subject to change (arrangements will be made to reschedule to another date)**

Cost is \$25.00 per student. Call us to register at 623-856-6502.
